Whale Hill Primary

Safeguarding

At Whale Hill Primary School

We listen
We care
We take action
We keep you safe

What is safeguarding?

Safeguarding means keeping you safe, happy and supported at school, at home, online and in the community.

If you are worried...

You might be worried about...

- Something at home
- A friend or another child
- Your feelings or mental health
- Something online
- Bullying or being unkind
- Feeling unsafe
- Anything else that is worrying you

What happens next?

1. We will listen to you.
2. We will take what you say seriously.
3. We may need to share your worry with other trusted adults to help keep you safe.
4. We will support you and make sure you are not alone.

Helpful people outside of school

childline
0800 1111
A free, confidential service for children and young people.

NSPCC
0808 800 5000
For adults worried about a child.

In an emergency, always call **999**.

Remember...

- It is never your fault.
- You can talk to someone.
- We will always listen.
- You will be taken seriously.
- We will do our best to help you.
- You are not alone.

Our School Values

Be Safe
We look after ourselves and others.

Be Responsible
We make good choices.

Be Respectful
We treat everyone kindly.

Be Ready
We are prepared to learn and do our best.

Whale Hill Primary School is committed to keeping all children safe.

Our Child Protection & Safeguarding Policy (2026–2027) and Keeping Children Safe in Education 2026 guide us in how we keep you safe.
