

Whale Hill Primary School

Scheme of Work

French (Years 5 and 6)

Overview of the scheme of work: Endpoints

Unit 1 - Getting to know you: By the end of this unit, children will be able to greet each other in French by asking and responding to questions such as: what is your name, how are you, how old are you, using the numbers 1-10.

Unit 2 - All about me and my family: By the end of this unit, children will be able to talk about family members and pets and describe them using and modifying adjectives (including colours) accordingly.

Unit 3 - Food, glorious food: By the end of this unit, children will be able to: ask for basic items of food using polite requests and be able to say if they like or dislike certain foods (using language for stronger preferences). Children will also begin to use definite and indefinite articles and count certain food items.

Unit 4 - My home, my town, the world! By the end of this unit, children will be able to: ask and answer questions to find out where a person lives; identify key places in a town and be able to recognise some places in the world, including French towns, regions and other countries.

Unit 5 - Let's go shopping: By the end of this unit, children will be able to: use prepositional language to locate places in a town and apply their knowledge to follow and respond to a simple story in French and take part in a role play, developing listening and speaking skills.

Unit 6 - Directions: By the end of this unit, children will be able to: give and follow directions in French and ask and respond appropriately to questions about different modes of transport, including how people travel to different places, such as school.

Unit 7 - Hobbies and holidays: By the end of this unit, children will be able to: ask and answer questions about hobbies, describe the weather and use knowledge of days of the week, months and seasons to talk about holidays.

National Curriculum Objectives

Skill	National Curriculum Objective
Speaking	Engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help
	Speak in sentences, using familiar vocabulary, phrases and basic language structures
	Develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases
	Present ideas and information orally to a range of audience
	Describe people, places, things and actions orally* and in writing
Listening	Listen attentively to spoken language and show understanding by joining in and responding
Reading	Read carefully and show understanding of words, phrases and simple writing
Writing	Write phrases from memory, and adapt these to create new sentences, to express ideas clearly
	Describe people, places, things and actions orally* and in writing
Phonology	Explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of word
Vocabulary and Grammar	Understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high-frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English
	Broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary
Language Appreciation	Appreciate stories, songs, poems and rhymes in the language

Whale Hill Primary School
