The past few years we have always sent past SAT papers to practise in the Easter holidays. Therefore we have still sent these home with your child with a exercise book and pencil. I know SATs will not be taking place however these questions are all based on the year 2 curriculum so it will help you see what type of learning your child should be doing.

If you do have any queries school will be open and you can email the class teachers on
zevans@whalehill.rac.sch.uk
kboffey@whalehill.rac.sch.uk
krudd@whalehill.rac.sch.uk
We thank you for your help and support during these difficult times
Stay safe
