

Whale Hill Primary School – KS2 Pupil Voice

Year Group 6 Date 12.3.21

1	How was your experience of home learning? Could we have improved anything? What will you need most help with now that we are back?	The zoom lessons helped us to learn and understand more. Seesaw was difficult to get help – I couldn't type things in because the chat was turned. A Zoom for every lesson. I had to make sure I read the book every day otherwise it was difficult to keep up. We need help with ratio and algebra.
2	Did you prefer live lessons or doing the work in your own time?	Live lessons – you could talk to the teacher. I preferred doing the work in my own time on Seesaw. On the zoom lessons everyone was working at different speeds and so sometimes it was too fast and too slow.
3	Is work in class interesting and challenging? Is it ever too easy?	In between. Algebra in Maths is very difficult. In Geography some of the terms like abundant and non abundant can be confusing.
4	How do your teaching assistants help you?	In Maths, when I get stuck Mrs Thompson doesn't tell me the answer but she helps me to have confidence to find a way to work it out. When the teacher is working with others they come and help you. They help me with when I'm stuck on one word that I can't spell.
5	Is your work marked regularly? How does it help?	Yes. I know where I've gone wrong. Shows me my mistakes. I have time to understand my corrections.
6	What makes you happy in school?	Teachers are kind and help you to understand things all the time. Get to see your friends. If you have a problem the teachers sort it out straight away. Even if its hard to sort out it gets sorted out straight away.

7	Is behaviour good at Whale Hill?	Yes. We sort out people who have bad behavior every day. There are consequences. You learn from your mistakes. We get a warning. The school has good discipline.
8	What would you do if you had any worries? How could we improve our wellbeing provision?	Tell a teacher and they would help you. A box where you could put your worries. Anonymous worry box. I don't want my initials on it because then the teacher would come and speak to you.
9	Do you attend any lunchtime/after school clubs?	Girls football. Choir Chess Boot Camp Basketball Netball Football Miss Butterfield's group.
10	Are there any lunchtime/after-school clubs you would like to suggest?	Boxing Animals – looking after them Rugby Guitar club Art club
11	Does Whale Hill promote British Values?	Yes – in the dinner hall there is a way. Bullying dealt with International Women's day No racism
12	Is there a friendly atmosphere in school?	Yes – no bullies You sort out bullying Buddies Supervisors

13	What do you think makes a lesson good?	<p>Everyone cooperates Teamwork Everyone works together and enjoys the lesson When people don't wreck it because of their behavior. When people get sent out it spoils it for everyone else.</p>
14	What can make it hard for you to learn?	<p>People talking and distracting you Sitting next to the wrong person Disrespectful and annoying behavior that is disruptive in lessons</p>
15	How could school improve?	<p>Better behavior in lessons More manners</p>
16	<p>How can we help you prepare for next year? Year Six– How can we help you prepare for secondary school?</p>	<p>Getting used to the new environment Maps tours of the buildings Doing some of the work so we could see what's expected Having harder work to try and get us ready for what the work is going to be like</p>
