### Key Stage 2 Attainment

Each year, our year 6 pupils take part in Statutory Assessment Tests (SATs).

The table below shows the percentage of pupils that achieved both the 'expected standard' and a 'greater depth standard' in each subject. It also indicates the level of combined results in reading, writing and maths.

## Phonics Screening Check

The phonics screening check is a statutory assessment for all pupils in year 1 (typically aged 6) to check whether they have reached the expected standard in phonic decoding. All state-funded schools with a year 1 cohort must administer the check. Those pupils who did not meet the standard in year 1 or who were not tested, must be re-checked at the end of year 2.
