## Part A: Pupil premium strategy plan

### Statement of intent

- At Whale Hill Primary School, we believe that all our children have an equal entitlement, and should have an equal opportunity to:
  - Develop imagination and creativity.
  - Acquire skills and abilities.
  - Have a love of learning.
  - Acquire and improve skills in core and foundation subjects.
  - Have access to services to improve mental health and wellbeing
- Our aims for Pupil Premium Grant impact is to remove any barriers pupils may face in order to nurture happy, high achieving pupils irrespective of socio-economic background.
- Our Pupil Premium Strategy identifies the specific barriers that our disadvantaged pupils experience at Whale Hill Primary School and addresses them to ensure that all children reach their full potential. Funding is allocated carefully to have the maximum impact on our pupils and this is monitored and reviewed carefully throughout the year. Our spending strategy is informed by research such as that in the Education Endowment Foundation Toolkit. However, we recognise that some interventions may be qualitative and not quantitative
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who are eligible for free school meals (or have been eligible in the last 6 years) are socially disadvantaged. We also recognise that pupils who are not eligible for the grant may also be socially/economically disadvantaged. We reserve the right to allocate the pupil premium funding to support any pupil or groups of pupils who have been identified as being socially disadvantaged and at risk of underachievement.
- We also recognise that our pupils eligible for the grant encompass a range of academic abilities.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lack of opportunity/cultural experiences

2	Emotional wellbeing (e.g. anxiety, anger, withdrawal etc).
3	Basic skills (e.g. reading, number skills, spelling, handwriting etc).
4	School readiness (e.g. lack of routine at home, poor parenting, hungry on arrival, unsuitable clothing/footwear etc).
5	Scarcity of aspirational role models in the community.
6	Peer pressure/Low aspirations
7	Poor auditory memory and retention skills.
8	Complex home-lives
9	Lack of resilience when things get a little more challenging, especially with learning.
10	Adverse childhood experiences

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils will be supported in learning through the use of additional support staff in all year groups.	Closing the gap between disadvantaged and non-disadvantaged pupils whilst maintaining accelerated progress for both groups.
To enable all disadvantaged pupils to participate in a school visits, including residential trips in year five/six	All pupils to attend school visits and all pupils offered the chance to participate in residential visits to partake in outdoor learning and enjoy cultural experiences.
To supplement school visits with visitors to school to provide enrichment beyond the core curriculum.	Pupils to receive chess tuition in our Chess Centre of Excellence., partaking in events in school and against other schools.
To support the mental health and well-being of our disadvantaged pupils.	Pupils will have access to ELSA trained staff,
Wrap Around Care will be available and accessible to our vulnerable pupils when it is needed.	Disadvantaged families will access wrap around care as and when needed.
To improve the attendance of disadvantaged pupils.	Continued improved attendance for the disadvantaged group
To support pupils with their mental health and wellbeing.	All pupils to have the opportunity to access ELSA support or counselling.

## Teaching priorities for current academic year
